

**PIEDMONT ACADEMY  
COUGAR CLUB  
2016 ♦ 2017**

The purpose of the Cougar Club is clearly stated in our Constitution and By-Laws which reads, “To support the extracurricular programs of Piedmont Academy in order to promote the growth of physical, mental, social, and spiritual welfare of all participants”. We intend to continue to make this purpose a reality going forward. This year the Cougar Club approved an increase in certain participation fees for the upcoming 2016-2017 school year. This increase will help generate the funds necessary to improve our athletic programs as well as reduce the number of Cougar Club fundraisers. All families will still be required to pay a one-time \$50 membership fee each year.
